

Around the Square

Sierra Madre was lit up like the proverbial Christmas tree last Thursday night as residents responded enthusiastically to the "Mothers' March on Polio." Mothers report they were welcomed heartily at each door and one little boy in sleepers, hardly walking as yet, was awakened to give his pennies because his mother promised him she would.

American ingenuity was at work that night, too. Householders without porchlights improvised by putting outside their floor lamps. At one house a family had placed a small table and table lamp on the porch. And there was no one home at another lighted porchlight, but the family left a note with a contribution tied to the doorknob.

"At least we rescued their packs," said one member of the searching party that hunted for two "lost" hikers last week. The two boys walked down the Mount Wilson Trail safe and sound, and met the Sierra Madre Search and Rescue Crew coming up.

"But they abandoned their equipment packs in attempting to scale the side of the canyon," the spokesman related. "They said as far as they were concerned the packs could stay there forever."

One of the searching crew went down the treacherous bank to make the pack "rescue."

Here we go again. Sid Westfall reports that someone lost "a sum of money" in front of the Sierra Madre Hardware store. Tell Sid the correct amount and it's yours again. We hate to be cynical, but the last time this column was used to recover money several "someones" tried their luck at guessing the proper amount.

Sailor Gets Suspended Jail Term

A 60-day jail sentence was suspended Monday afternoon for Louis Alford Siqueido, USN, who pleaded guilty to assault and battery before Judge H. Burton Noble.

Originally charged with "wife beating," a felony, Siqueido agreed to enter a plea of guilty to the less serious offense. Judge Noble stipulated as a condition of the three-year probation period that Siqueido commit no "similar offenses" against his wife, Juanita, 718 W. Montecito.

Siqueido was turned over to the Navy Shore Patrol authorities for delivery to his ship, the USS Pollux.

Kiwanians May Take Over Scrap Campaign

Sierra Madre's Kiwanis Club may take over sponsorship of the city-wide Scrap Metal Drive. The Kiwanis Board of Directors will vote on the matter at its meeting this evening. Al Freeland, City water superintendent, told the Community Coordinating Council Tuesday night that he would have to give up chairmanship of the campaign because of limited time. Stepped-up operation of the city's water spreading grounds, has resulted in round-the-clock duty by water department employees.

Hugh Warden, president of the Kiwanis Club, said he would present the matter of club sponsorship at the Board meeting.

Meanwhile, the Scrap Metal Drive, now in its fourth week, was reported "coming along slowly" by Mr. Freeland. The scrap pile at the lot east of the Woman's Clubhouse, 270 W. Sierra Madre boulevard, looks "just a little larger" than it did last week, he said.

There are several large pieces of scrap—such as stoves, car frames, and water heaters—that are awaiting pickup however, the water superintendent pointed out.

Battle Brews Over Ranch Bus Service

A full-scale battle was brewing this week over the public transportation service in the Hastings Ranch. Pasadena City Directors gave their "blessing" Tuesday to Pasadena City Lines' proposed bus route extension to people in the Coronet Homes Tract. The directors adopted a resolution favoring the extension, and this resolution will be made a part of the City Lines' application when it is filed before the State Public Utilities Commission.

Meanwhile, Pacific Electric Railway Company has indicated that it will oppose the application. A spokesman pointed out last week that his company already is serving residents in the Coronet Homes with buses that go into Sierra Madre. There is no need, he said, for the City Lines' buses to enter the area.

One of the arguments the Pasadena utility has indicated it will use in asking the expansion is that, if granted, residents of the Hastings Ranch would be given direct transportation to Pasadena's downtown business district.

Rescue Crew Called Out Again Here

Sierra Madre's Search and Rescue Crew was called out again Thursday to track down a 15-year-old Monterey Park youth who was unable to climb out of a canyon above Sierra Madre.

The hiker, Bryan James, finally made his own way up the almost perpendicular wall of the canyon to Mount Wilson Trail—and safety.

His companion, Richard Joy, also 15, had phoned police from the Alan C. Macauley home on the trail, stating that James was not able to climb out of the canyon after a two-hour exploratory trip along the rocky bottom.

"When I last saw him he was about 100 feet above the canyon floor," Joy told officers. "Then when I got to the top, I called down to him but got no answer."

He said he spotted his friend's pack where James placed it just before separating, but there was no sign of James.

Six members of the rescue crew made their way along

COUNCIL MEETS ON WEDNESDAY

Sierra Madre's City Council will not meet next Tuesday night as regularly scheduled, because of the legal holiday, Lincoln's birthday.

Councilmen will meet, instead, on Wednesday, Feb. 13, it was announced this week by City Administrator R. Merritt Baker.

QUOTA SET IN LOCAL ARC DRIVE

Sierra Madre has been asked to raise \$6583 in the 1952 Red Cross Fund Drive, Col. Charles E. Morrison, chairman, announced today.

Colonel Morrison, 39 W. Orange Grove, began the job of spearheading the campaign this week. The national goal of the Red Cross is \$85,000,000—of which \$39,000,000 will go to the armed forces.

The drive chairman, along with R. C. Lewis, chapter chairman, Mrs. Florence Peterson, executive secretary, and Miss Clara Sykes, fund drive secretary, will meet today to appoint campaign captains.

Colonel Morrison is president of the local Garden Club and publicity chairman for the Sierra Madre Civil Defense Corps.

He was graduated from the U.S. Military Academy at West Point in 1918, and has served with the cavalry, the armored forces and the general staff, where he was a member of the XXIIIrd Corps. During World War II he saw service in the Rhineland and Central European campaigns. The officer subsequently returned to Occupied Germany for another stint of duty. Other assignments included the Philippines, Paris and Washington, D.C. He retired in 1948 after 30 years of service.

"Everything that I saw during my service with the Army led to my deepening conviction that the work the Red Cross did and is doing was valuable, desperately needed, and most deeply appreciated," said Colonel Morrison. "Here at home I find the same thing true."

STUDENTS GO TO GRIFFITH PLANETARIUM

Sixth grade students at City School — approximately 90 youngsters — are making a tour of the Griffith Park Planetarium today, Feb. 7.

The adult-chaperoned trip will last most of the school day and includes a special astronomy program with reserved seats for the Sierra Madre boys and girls.

The regular planetarium feature this month is called "The Story of the Calendar."

CIVIL DEFENSE COUNCIL MEET WAS 'SATISFACTORY'

With 35 citizens present, last week's meeting of the Sierra Madre Civil Defense Council was termed "very satisfactory" by Mayor William A. Kinney, CD director. Local civilian defense officials called attention to the reported failure of a CD organization in a nearby community during the recent flood. It was pointed out that the Red Cross Chapter of that city not only had to perform its own duties, but also those pertaining to traffic control, controlling dangerous gas leaks and exposed electric wires.

Mayor Kinney called this "a good object lesson for our own Civil Defense organization."

Mr. Kinney read excerpts from several pamphlets, including one from Federal Civil Defense Administrator Miller

Boy Scouts Observe 42nd Birthday

Official Boy Scout Week Poster

President Truman will greet 12 outstanding Boy Scouts in the White House during Boy Scout Week, Feb. 6 to 12, marking the 42nd anniversary of the Boy Scouts of America. Boy Scout Week will be observed throughout the nation by more than 2,900,000 boys and adult leaders. Since 1910, more than 19,000,000 boys and men have been members of the organization. "Forward ... on Liberty's Team" is the birthday theme.

BUILDING YEAR HERE GETS OFF TO SKIMPY START

Sierra Madre's building year got off to a skimpy start last month, with building permits issued during January totalling \$58,200. The total was \$35,697 less than the figure for January of 1951, \$93,897. Meager though it was, however, the month still saw \$14,965 more in building permits issued than during the month before, December, when the total was \$43,235.

Y District Elects Clardy To Directors

Harold B. Clardy, 104 Auburn, was installed as secretary of the Santa Anita District YMCA Board of Directors at the 23rd annual meeting held at Rosemead High School Jan. 29.

Elected president of the board which administers and guides the program of the YMCA throughout the Santa Anita District was Walter Jackson of Monrovia.

At the meeting last week, the annual report of the district was presented in the form of a court trial titled "Youth on Trial." The cast included Samuel Kirk, 646 W. Sierra Madre boulevard, as the presiding judge.

Lions to Fete Ex-presidents

Tonight, Feb. 7, will be "past presidents' night" when the Sierra Madre Lions Club meets at the Woman's Clubhouse, 7:15 p.m.

Former presidents of the club will describe the highlights of their terms of office. A surprise feature also is planned for the meeting. Program chairman will be Sterling Ripple, immediate past president.

Mothers' Polio March Sets Local Record

Sierra Madre's March of Dimes Drive closed last Thursday night with a triumphant "Mothers' March on Polio" which, alone, netted \$1009.92.

The mothers' march and the entire campaign were the "most successful ever attempted in Sierra Madre," said Mrs. LeRoy Toms, chairman.

The total month of soliciting yielded \$3461.50—approximately \$1000 more than was ever collected here before in the Dimes drive.

Sponsored by the Sierra Madre Civic Club, the drive included the following chairmen: Mrs. J. J. Butler, mothers' march; Mrs. Charles Rizzo, assistant to Mrs. Butler; Mrs. A. J. Dewey Jr., publicity; Mrs. Neil Rhenstrom, assistant drive chairman; Mrs. Joseph Custer, public school; Mrs. Ralph Hutcheson, Ascension School; Mrs. Lawrence Bonney, St. Rita's School, and Mrs. Douglas Berkshire, theater.

Coordinating Council Eyes Civic Services

Voter Registration Closes on Thursday

Next Thursday, Feb. 14, marks the close of voter registration for Sierra Madre's municipal election on April 8.

City Clerk Marie Warfel pointed out that persons who change party affiliations, their addresses, or legal names must re-register in order to be eligible to vote.

City Spreads 532 Acre Ft. Of Water

More than 532,602 acre feet of water have been spread to date in Sierra Madre's water conservation operation.

The figure, in laymen's language, exceeds 23 million cubic feet of water.

City Administrator R. Merritt Baker and Water Superintendent Al Freeland announced the totals yesterday. From the Big Santa Anita, and through the city diversion structure, Sierra Madre has spread 399,320 acre feet.

This figure does not include the second test of the project, reports of which have not yet been received by city officials. Mr. Freeland estimated, however that more than 80 acre feet of water were percolated into the underground basins during that test.

The Little Santa Anita and storm run-off from the streets netted another 134,282 acre feet to bring the total up to the 532 acre-foot mark.

Mr. Freeland said the most recent run of the project has been going on now for 16 days. The average flow of water during this operation has been 10 cubic feet of water per second, he said.

Plans Go Ahead For Dollar Days In Sierra Madre

Plans were going ahead this week for Sierra Madre's second semi-annual Dollar Days which will be held Thursday, Friday and Saturday, Feb. 28, 29 and March 1.

"The Dollar Days last September were a great success, and we plan to offer even more values this time," local merchants said. "Many special events and attractions will feature the merchandising event."

Dollar Days will be sponsored by the Sierra Madre Businessmen's Association.

COUNCIL ASKS BANNER POLES

Two sets of poles for suspending street banners will be requested at the next meeting of the City Council.

Making the plea will be the Sierra Madre Community Coordinating Council.

At their meeting Tuesday night, group representatives pointed out that they need "approved places" in which to hang over-the-street banners during civic campaigns.

The Coordinating Council will ask that poles be placed, one on each side of the street, in front of the City Hall and in front of the Woman's Clubhouse.

Woman Puts Out Grease Blaze

Mrs. Milton Goldberg proved herself proficient with a fire extinguisher Monday, Feb. 4, when spilled grease ignited in her kitchen at 590 Ramona.

The woman had the flames out by the time Fire Chief James C. Heasley arrived. He helped her remove the still-smoking stove trays and take them outside.

ACTION MIGHT BROADEN COMMUNITY FUND DRIVE

The possibility of obtaining more community services is being explored by the Sierra Madre Community Coordinating Council. Group representatives voted Tuesday night to find out if Sierra Madre can contract for the Family Service and Dental Clinic in Pasadena. Delbert L. Haskell, who did much of the preliminary investigation for the council, was asked to handle this further inquiry.

After the availability of these services is known, representatives of the council will decide if these or other community services are wanted here.

If they are, it probably would mean the broadening of Sierra Madre's Community Fund Drive, sponsored annually by the Kiwanis Club.

Officials from the Family Service and Dental Clinic may be asked to appear at the March meeting of the Coordinating Council, President Mrs. Daniel L. D'Arcy disclosed.

Tomorrow Is 1st Filing Day For Election

A nomination petition for City Clerk Marie Warfel will be circulated tomorrow, Feb. 8, the first legal day to file for Sierra Madre's city election on April 8.

Circulating the petition will be former Mayor Thomas M. Schwartz.

Mrs. Warfel announced last week that she would seek re-election to the post of city clerk, to which she was appointed last November.

Carlton J. Pegler, veteran city treasurer, also announced this week that he will be seeking re-election to the office in April.

Deadline for filing nomination papers for these offices and two seats on the City Council is 12 noon, Thursday, Feb. 28.

Councilman Charles James has said he will seek re-election. Councilman Henry Kormeier, whose term also expires, has not revealed what his plans are.

Schools to Get Long Weekend

City School and Ascension Parish Day School will be closed both Monday and Tuesday next week, in observance of Lincoln's birthday, Feb. 12. St. Rita's School will close only on Tuesday.

Charles A. Skutt, City School superintendent, announced also that public school pupils will have off Friday, Feb. 22, George Washington's birthday.

WAR AGAINST CAMPAIGN COSTS GAINS MOMENTUM

Lee Shippey's one-man war against the high cost of election campaigns may grow into a national movement. The announcement by Mr. Shippey, a candidate for U.S. Congress, that he would accept no contributions from lobbyists or "questionable sources," and no large contributions from any one source resulted in approving editorials in several Southland newspapers and other papers as far away as Kansas City and Chicago.

It also brought letters from several distinguished lawyers, educators and clergymen, who agreed that donations which put candidates under obligations are a basic cause of political corruption.

A group of people—including both Republicans and Democrats—met in Pasadena recently and drew up a "Declaration of Independence from Graft" which is to be sent to Leagues of Women Voters, church and civic groups, and other individual citizens who will circulate it for signatures. Copies of the Declaration were distributed to the Kiwanis Club and to representatives of the

MEN PAINT PLAZA HOME ON 'DAY OFF'

Ten painting contractors donated overalls on their "day off" Saturday and gave the Plaza Community Center Children's Home, 72 W. Alegria, "the finest gift the home could possibly receive," according to Director Elsie N. Gibson.

The painters, all members of the San Gabriel Painting Contractors' Association, painted the interior of the boys' dormitory.

Miss Gibson reports that of the 50 painters who wanted to take part in the project only 10 were selected. They were on the job at 8 a.m. and all stayed until the final brush stroke—late in the afternoon.

Several months ago the same association on another Saturday painted the home of a war veteran's widow who couldn't afford to have her home painted.

"We're having lots of fun," was the way G. I. Bliss, president of the association, summed up the projects.

The home at present has enrolled 22 boys and girls, all of whom are 14 or under.

Overnight Parking Law Starts Today

Sierra Madre's new overnight street parking ordinance went into effect today, February 7. Police Chief Gordon G. McMillan reminded householders today.

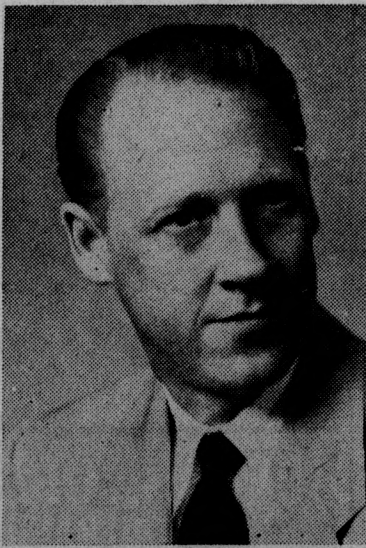

As of this date, Sierra Madreans can expect strict enforcement of the law which limits parking on the streets to half an hour between 2 and 4 a.m. and which, in effect, prohibits overnight parking.

The new amendment to the law provides for special permits to be issued persons who cannot find off-street parking facilities within 600 feet of their homes. Such "hardship cases" must pay \$6 inspection fees for the permits, which are good for a six-month period.

Sierra Madre Coordinating Council Tuesday

"We hope enough signatures can be secured to make the State Legislature see the people wish a tightening of the laws governing campaign contributions, and that the movement will spread to other states," explained Mr. Shippey.

The Declaration of Independence from Graft says: "We hold these truths to be self-evident: That the high cost of election campaigns is the root of political evil; that so long as from two to ten times the salary of an office may be spent to elect a man to it we cannot escape electing many who are under obligation to their donors."

WOULD LIKE TO WALK AGAIN

THESE YOUNGSTERS with Mother Frances Eleanor Smith at Casa Colina Crippled Childrens Home in China are looking forward to the time they will be able to walk again. Meanwhile, expense of treatment and specialized care is mounting. To help deserving kiddies, the home has announced plan whereby individuals and philanthropic groups can "adopt" a youngster for \$295 a month.

REPUBLICANS PLAN LINCOLN DAY DINNER

The Republican 48th Assembly District is announcing a Lincoln Day Dinner, to be held Feb. 12, 6:30 p.m., at the Altadena Masonic Temple, Mendocino and North Lake.

The program will combine the annual dinner meeting of the Assembly District and its election of officers with the honoring of this nation's Civil War president. A feature of the evening will be the recitation of the Gettysburg Address by Ollie Prickett, Altadena drama celebrity.

Dr. John Henry Lyons will lead the audience in patriotic singing. Principal speaker of the evening will be Miss Pat Barham, well-known war correspondent, who will discuss "War News Without Censorship." Steadman G. Smith, president of the Los Angeles County Assembly, will install the new officers.

Mrs. Noren Eaton is in charge of Sierra Madre reservations for the dinner.

Joe Spanich Seeks GOP Congress Bid

Joseph M. Spanich, of 525 Fairview Street, Burbank, announced his intentions last week of seeking the 21st District Republican Fact Finding

JOSEPH M. SPANICH
... tosses in hat

Committee's selection as their nominee for Congressman from that district.

Spanich, a meteorologist with American Airlines, is married to the former Mildred Wayman

of New York. They have one daughter, 9-year-old Diane.

The 34-year-old Republican organized a volunteer Nixon for Senate group in the Burbank area in 1950. He also was active in 1946, '48 and in '50 as a precinct organizer and worker in Congressman Carl Hinshaw's campaigns.

"Much of this new district," Mr. Spanich said, "has been most ably represented in past years by Congressman Hinshaw. Still other sections have had Dick Nixon and now Pat Hillings as their representative. I hope to convince the Fact-Finding Committee that I am capable of carrying on in the footsteps of these men."

The 21st District, new since the legislature reapportioned the State at the 1951 session, combines part of the old 20th, 21st and 12th Congressional Districts. It consists of the 41st, 42nd and 48th Assembly Districts.

Mr. Spanich also stated in his announcement that he has a lengthy platform to offer the committee for their study.

"I believe the Republicans must have not only a critical attitude, but a constructive one as well. We must find the answers to these problems which beset our country."

He was formerly president of the Burbank Young Republicans.

Services Read For Mrs. Dick

Funeral services were conducted at Grant Chapel yesterday afternoon for Mrs. Lillie Frances Dick, 122 N. Baldwin, who died Sunday, Feb. 3.

A native of Canada, Mrs. Dick had been a resident of Sierra Madre since 1947. She was active in several Pasadena organizations and a member of the First Church of Christ, Scientist, of Pasadena. She held memberships in the Audubon Society and Shakespeare Club.

Mrs. Dick leaves a daughter, Mrs. Lillian Nay Thomson, of El Monte, and a son, Norman L. Dick, of Detroit, Mich.

Christian Science services were read yesterday by Mrs. W. L. Porterfield. Committal was private at Pasadena Mausoleum.

Blood Bank Due at Guard Reserve Unit

The Red Cross Mobile Blood Bank will be at the Arcadia National Guard Armory, 260 W. Huntington Drive, Monday, Feb. 11, at 7 p.m.

Members of the 6th Battalion, 2nd Group, 1st Division of the California National Guard Reserve, have declared that their goal is to donate 100 pints of blood to be sent direct to Korea for use by the American Armed Forces.

Any San Gabriel Valley resident who has no active plan as a blood donor and cares to participate with the Reserve and their families may do so Monday night.

The California National Guard Reserve was formed to take over the home duties and activities of the 40th Division which was called to federal service in September of 1950 and is now on active duty in Japan and Korea.

The Guard Reserve Battalion, with headquarters in Arcadia, includes Company B of Sierra Madre.

"Membership in the Reserve is an honor and a privilege, and all able-bodied men, veterans or not, from ages 17 to 70, are eligible to participate," said 2nd Lt. Samuel C. Kennedy.

The Reserve, which cannot be federalized since its function is specifically one of the state and home guard, requires only two hours of service a week, he explained.

TEACHERS CLUB TEA HONORS MRS. ADAMS

The Sierra Madre Teachers Club was host last week at a tea honoring Mrs. Roland Adams, who retired recently after 36 years of teaching at City School. The tea was held at the home of Mr. and Mrs. Don Wells, 405 W. Montecito.

Guests included former teachers Eva Moore, Zayda Leonard, Mary Wheeler, Elizabeth Steinberger and Helen Wones; Superintendent and Mrs. Charles A. Skutt, Mr. Roland Adams, and members of the secretarial, custodial and cafeteria staffs.

Presentation of a gift was made by Miss Steinberger, former principal. Mrs. Matilda Smith, school music teacher, rendered several original songs. Decorations and refreshments featured the St. Valentine motif.

Joseph Moltane, president, adjourned the regular meeting with an engraved gavel, a parting gift to the club from Mrs. Adams.

WOMAN'S CLUB TO HEAR TALKS BY OFFICIALS

The Woman's Club luncheon will be held Wednesday, Feb. 13, 11 a.m., at the Clubhouse.

Topic for the day will be "Ourville: How Sierra Madre Is Run," given by speakers Charles Skutt, superintendent of the Sierra Madre City School, Eddie Robertson, postmaster, and James Heasley, fire chief.

Scouts Get Free Show at Big Sky

Celebrating the birthday anniversary of the Boy Scouts of America, the Big Sky Drive-In at Monrovia will play host to all Boy Scouts in uniform or who present their registration cards on Monday night, Feb. 11, at 6:45 p.m.

A special show has been arranged and a cordial invitation is extended to all Boy Scouts in this area to join in the celebration.

tions they will pay off with taxpayers' money; that it is hypocritical to denounce political corruption without also denouncing the high cost of campaigns, the basic cause of four-fifths of it; that bribe-givers and bribe-takers are bipartisan in their operations, so Democrats, Republicans and independent voters are asked to sign; that the signers do so in order to safeguard our democracy's life, its fortunes and its sacred honor and that there are no dues nor obligations except those of patriotic Americanism.

The Declaration is signed by J. Ray Files, Rupert Hughes, Paul I. Wellman, Dr. Elmer Belt, Dr. Samuel Ayres Jr., Archibald B. Young, Stuart Chevalier, James Roosevelt and Dr. Cecil L. Dunn, with Lee Shippey as secretary. Of those only Hughes, Republican, and Roosevelt, Democrat, are noted for political activity.

FIRE FLAMES

A couple of the firemen were out for lunch. What one was eating looked pretty good. "What is it?" the other asked.

"It's Tommie's 'enthusiastic' Stew," was the answer.

"Why?"

"Because he puts everything he has into it."

Charlie was explaining to the boys the importance of keeping their heads when fighting fire.

"Why is that so important?" quizzed Bobby Clark.

"Because if you didn't, it would leave no place for your helmet, you dope."

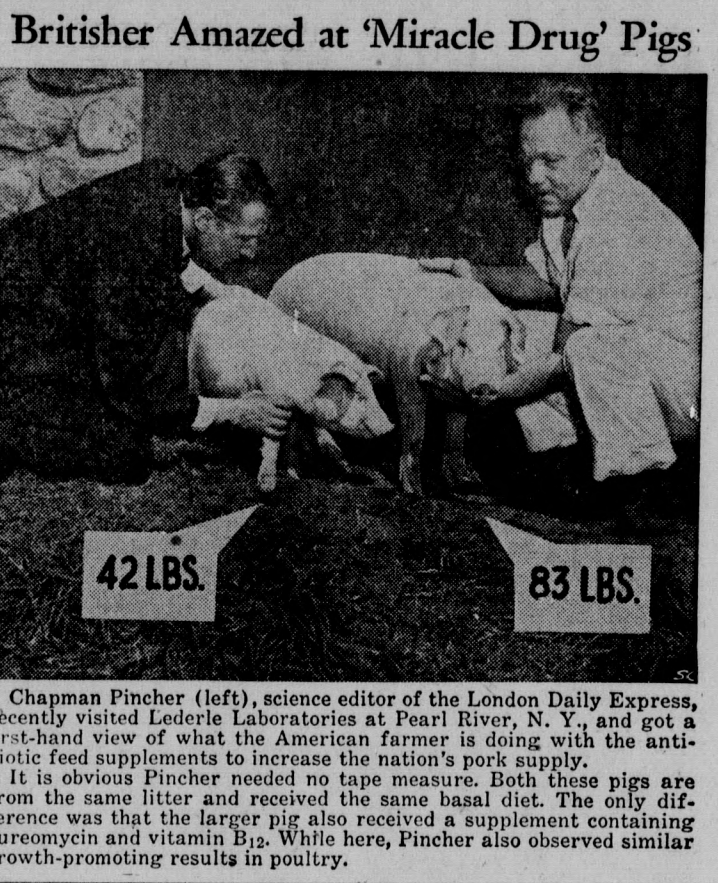

The young married woman was asked what she thought of married life. She said there was little difference. She used to wait up half the night for him to go, while now she waits up half the night for him to come home. Same difference.

Were it not that we joshed each other at every opportunity, life as a volunteer fire fighter might not be so inviting. The feeling of near relation makes the organization a fraternity. When meeting night comes, wives of the men realize there is little that can be done to keep hubby away from the fire station. They have grown used to it.

Fortunately, the men who now represent the fire department are not the sort who take advantage of the fire fighting alibi to get away from home. A comfortable clubroom is only used on rare occasions besides the regular drill nights. It is then a place of real fellowship — at times strained, but always smooth after the straining.

We have had another smoldering fire, caused by a wall heater scorching the studding. This is somewhat alarming as well as puzzling. These heaters appear to pass for years without any apparent danger, then suddenly create a hazard. It is suggested that when the heater is turned on to full capacity that it be carefully watched until the house is warm, and then the heat be lowered.

If there is any doubt as to the installation, it might be

Chapman Pincher (left), science editor of the London Daily Express, recently visited Lederle Laboratories at Pearl River, N. Y., and got a first-hand view of what the American farmer is doing with the antibiotic feed supplements to increase the nation's pork supply.

It is obvious Pincher needed no tape measure. Both these pigs are from the same litter and received the same basal diet. The only difference was that the larger pig also received a supplement containing aureomycin and vitamin B12. While here, Pincher also observed similar growth-promoting results in poultry.

Registration Facts Told For Primary

Six classes of persons should register, or re-register, in order to be eligible to vote in the June 3 primary election. It was announced today by County Registrar of Voters Benjamin S. Hite. He listed these groups of people as follows:

(1) Those who have moved or changed their names since they last registered.

(2) Those who desire to change their political affiliations.

(3) Those who did not vote in the 1950 June or December elections.

(4) Those who will be 21 by June 3, and who have not yet registered.

(5) Those now residents of Los Angeles County who have resided in the state one year, and the county 90 days.

(6) Those who will have become naturalized citizens by March 5.

Mr. Hite said the last day

better to have the heater examined and inspected by someone who knows something about how they should be for safety.

for registrations for the June 3 primary is April 10. Sierra Madre has the following deputy registrars of voters:

Mrs. Ruth H. Custer, 68 W. Miramonte; Mrs. Hazel L. Woodward, 99 Suffolk; Mrs. Marjorie V. Rizzo, 161 N. Hermosa, and City Hall, 55 W. Sierra Madre boulevard.

Awards Offered Native Writers

The 1952 James D. Phelan Awards competition was announced today by trustees of the estate of the late Senator Phelan. The awards of \$500, \$300 and \$200 are made annually to encourage further development of California native talent in the fields of literature and art.

Applicants for the fellowship, both men and women, must be native-born citizens of California and must be between the ages of 20 and 40. Applications must be made on forms provided by writing the James D. Phelan Award of Literature and Art, 820 Phelan Building, San Francisco 2.

Applicants must submit not less than two and not more than three short stories. The competition closes March 31.

Tenny to Talk At L.A. Rally

Jack Tenny, controversial ex-chairman of the un-American activities committee of the California Senate, will speak on Communist activities within the state at an "Americanism Show," to be held Friday, Feb. 8, at 8 p.m. The show is open to the public at no charge.

The rally will be staged at Monrovia-Duarte High School auditorium, under the auspices of the 18th American Legion District's Americanism committee, headed by Frank E. Benedict.

In addition to Mr. Tenny's talk, two ex-Communists will speak on their experiences while members of active Communist organizations.

Car Will Soon Outpace War As Mass Killer

The automobile will outpace war as a mass killer of Americans sometime in February, when its fatality toll will exceed for the first time in history the total of the nation's military dead since 1775, unless the new year starts with a marked decline in traffic deaths and Korean casualties increase greatly in the meantime, the Association of Casualty and Surety Companies said today.

At the end of the first year and a half of the Korean conflict on December 25, military deaths in all U.S. wars since

THURSDAY, FEBRUARY 7, 1952

SIERRA MADRE NEWS-3

the Revolution started had reached approximately 1,004,000 according to the association's comparative study of war and traffic fatalities.

The automobile killed its millionth victim on Dec. 22. Its toll on Christmas Day, when the Korean war was 18 months old, was approximately 500 over that historic mark, 3,500 below the all-time total of war deaths but 56,500 higher than the tally of 944,000 motor vehicle fatalities at the start of the Korean war on June 25, 1950. In the same 18 months the Department of Defense has reported about 17,800 U.S. military deaths in Korea.

Barring resumption of full-scale war and far greater American casualties in Korea or a huge reduction in the

motor vehicle toll during the next few days, the automobile will soon overcome war's head start of 125 years in which 530,000 military deaths had occurred before the motor age claimed its first victim just before the twentieth century began, the Association declared. At the 18-month mark of Korean hostilities, traffic fatalities were occurring seven times faster than those of war, claiming in one day as many American lives as the total lost in one week's fighting in Korea.

Here's Another Triangle Name

Still another name has been suggested for Sierra Madre's
Kersting Court Triangle—this one by Mrs. John Hart of 153 S.
Hermosa.

"The Pepper Tree" was the name proposed by Mrs. Hart.
She thinks it would help preserve the original character of
the triangle, and Mrs. Hart's late husband was one of the men
who helped plant the first pepper trees there.

P-TA Sets Date Day Dinner

Annual Founders Day Din-
ner of the Sierra Madre Par-
ent-Teacher Association has
been set for Thursday, Feb. 21,
beginning at 6:30 p.m. in the
City School cafeteria.

Program of the evening will
feature a panel consisting of
members of the City Recreation
Commission. The panel will
discuss recreation in Sierra
Madre and outline the possible
future expansion of facilities.

Following the dinner, repre-
sentatives of several youth
groups will present a short
program, according to Mr. and
Mrs. Tom Willis, program
chairmen.

Searchers said he made it up
the loose, shaly wall near the
point of the landslide which

If there is one thing that should impress the car owner with what happens to a battery that is not regularly filled with water, it is a glance around a shop bench on which worn-out batteries are in various stages of disassembly, declares the National Automobile Club. If every motorist could take in such an impressive view, he would remember that water and attention for the battery are frequent needs.

CARS FLOWING INTO STATE HIT ALL-TIME HIGH

Influx of out-of-state cars into California continued its phenomenal increase during 1951 when an all-time high of 1,369,983 automobiles, carrying 3,645,241 persons entered the state.

This tops the previous high of 1,134,439 cars and 3,024,657 passengers which entered the state during 1950, the Touring Bureau of the Automobile Club of Southern California said today.

The 235,544 car and 620,584 passenger increase over the 1950 totals represents a 21 per cent boost in both categories.

It was pointed out by the club that during the first 10 months of 1951 more passengers and automobiles were checked into the state than in any previous year.

During the 10-month period a total of 1,152,666 out-of-state cars and 3,078,534 passengers came into the state.

Barrett Serves Aboard Cruiser

Leonard G. Barrett, seaman apprentice, USN, has reported aboard the heavy cruiser, USS Rochester, for duty with United Nations forces in the Korean combat zone.

Barrett, formerly active in Sierra Madre Scouting activities, is the son of Mr. and Mrs. R. G. Barrett, 312 W. Montecito.

The Rochester, already a veteran of a year in the Korean campaign, spent Christmas at Sasebo, Japan, where new crew members were taken aboard. The ship has since returned to the war area.

ART AWARDS ENTRIES DUE

Deadline for entering the 25th annual Scholastic Art Awards contest is Saturday, Feb. 9, announces Ida May Anderson, national chairman.

More than 7000 students in schools from Santa Barbara to San Diego are expected to submit entries for judging in the Southland area.

The best 500 entries submitted will be on display at Bullock's in downtown L.A. from Feb. 23 to March 8, with the top 200 pieces of this group being sent East for national showing. Entries may be turned in at Bullock's warehouse, 7th and Santa Fe, L.A.

LT. JOHN A. ROBERTSON MARRIES MISSOURI GIRL

The marriage of Lt. Shirlee Ann Schulze, daughter of Mr. and Mrs. O. C. Schulze, of St. Louis, Mo., to Lt. John A. Robertson, son of Mrs. L. E. Robertson, 1225 Rexford, Cornet Homes, took place last Saturday in St. Rita's Church at 3 o'clock. The ceremony was performed by Father Thomas O'Malley, C.P. A reception, with many out-of-town guests attending, was held at the home of the groom's mother.

The bride was given in marriage by her brother, Charles Schulze. She wore a white ballerina length gown of chantilly lace and net. Her veil was finger-tip length and she carried a missal with white orchids and streamers.

Mrs. Michael Schewel, the sister of the bride, was matron of honor. Miss Nancy Becker, niece of the groom, was junior bridesmaid. They wore matching gowns in lilac satin, and powder blue satin, respectively, with matching satin wreaths with seed pearls, and carried yellow daffodils.

The best man was Dr. William E. Allen. The ushers were

Dr. Lawrence Tway and James Becker.

The bride attended Notre Dame Academy in St. Louis, and received her nursing degree at St. John's Hospital in St. Louis.

The bridegroom, a doctor in the U.S. Air Force, was graduated from Pasadena City College and attended S.C. He received his medical degree from George Washington University Medical School in Washington, D. C. and is affiliated with Pi Kappa Alpha and Nu Sigma Nu.

After a trip to Alabama, the couple will return to the Norton Air Force Base Hospital in San Bernardino where they are stationed.

Toy Loan Plans Annual Theater Party

On Saturday, Feb. 16, 10:30 a.m., the annual Toy Loan Birthday Party, sponsored by the Civic Club, will be held at the Sierra Madre Theater. The celebration will mark the seventh anniversary of the club's sponsorship.

All children who are members of Toy Loan or who would like to become members are invited. Tickets will be given to the children at the Toy Loan Cottage on Tuesday and Thurs-

day from 2:00 p.m. to 5:00 p.m. The film, "My Friend Flicka," will be shown as well as Walt Disney's "Seal Island" and a cartoon.

Camel Races, Glider Derby to Pace Month

Camel races in the desert, a glider derby over the ocean, and ski championships in the mountain snows are the highlight events in the Southland during February, the All-Year Club reported today.

Camels will race daily during the Riverside County Fair and National Date Festival, Feb. 19-24, in an Arabian setting at Indio. There will be an "Ara-

You'll never dry clothes outdoors again

...once you have an automatic GAS CLOTHES DRYER

Ever have to re-wash laundry you've hung up to dry? That never happens when you have an automatic gas clothes dryer. It enables you to dry clothes indoors day or night, rain or shine. You simply toss in rinsed laundry and set the control for bone-dry or ironing-damp, which eliminates sprinkling. In minutes your laundry is ready to remove because gas dries clothes faster than Southern California sunshine... faster than any other fuel.

Your towels are soft, fluffy, spotless. You have no wind-frayed hems, no sun-fading. You haven't lugged a heavy clothes basket nor stretched and stooped while hanging up and taking down.

Gas costs so little it dries your clothes for only 2¢ to 3¢ per dryer-full. The installed price of an automatic gas clothes dryer is also lower than that of other automatic dryers. See a demonstration at your dealer's today.

PROSPER JAMES GREVILLOT
CLAIMS PASADENA BRIDE

Miss Charlene Ruth Tatum, daughter of Mr. and Mrs. Charles Tatum, 1059 Cynthia avenue, Pasadena, became the bride of Prosper James Grevillot, son of Mr. and Mrs. P. J. Grevillot, 401 W. Sierra Madre boulevard, Jan. 26, 3 p.m., at St. Rita's Church. Fr. Thomas O'Malley, C.P., performed the ceremony. The bride, given in marriage by her father, wore a ballerina wedding dress of white chantilly lace, and a finger-tip length veil. She carried white roses.

Miss Joanne Tatum, sister of the bride, was maid of honor. She wore a blue ballerina dress and carried pink roses. The bride's attendants, wearing pastel ballerina dresses with matching gloves, and headpieces, were Misses Mary Ann Ryder, Carolyn Silny, Sandra Hall and Mary Lou Ross. They carried hand bouquets.

The groom's brother-in-law, Al Baur, was best man. Ushers included David Reed, Hubert Cole, Alan Guynn and James Tatum.

Following the ceremony, a reception was held at the home of the bride's parents.

The bride attended Monrovia High School. Mr. Grevillot attended Wilson High School and Pasadena City College. He served in the Army Air Force for three years, two years of which he spent in Japan. He is now employed at the Sierra Madre Post Office.

After taking a trip through Southern California the couple is now residing at 4611 Pal Mal avenue, El Monte.

Mrs. J. C. Loomis
Honors Houseguest

Mrs. J. C. Loomis Jr., 1140 Hastings Ranch Drive gave a tea last Monday, Feb. 4, for her mother-in-law, Mrs. John C. Loomis, who is visiting here.

Guests included Mrs. Victor Daniels, Mrs. Pat O'Neill, Mrs. Melburn Stine, Mrs. Ulrich Paige, Mrs. Frank Wengren, Mrs. Mabel Grill and Mrs. D. W. Nourse.

Mrs. Loomis will leave for San Francisco Feb. 11 enroute to her home in Hartford, Conn.

Storkland

A son, Jonathan Harold, was born Feb. 1, at the Huntington Memorial Hospital, to Mr. and Mrs. John F. Stanley, 284 Vista Circle Drive.

The infant's paternal grandparents are Mr. and Mrs. Harold Stanley, 162 Terrace Drive, Pasadena. His maternal grandmother is Mrs. Hazel George, formerly of Sierra Madre, and now of Pasadena.

OFFICERS INSTALLED
IN MAPHA CLUB

Members of the Mapha Club met last Monday evening, Feb. 4, 8 o'clock, at the home of Mrs. Marilyn Spears, 1120 Hastings Ranch Road.

Officers installed, and each presented with a corsage, were Mrs. Dorothy Boisot, president; Mrs. Betty Beattie, recording secretary; Mrs. Kay Switzer, corresponding secretary, and Mrs. Dorothy Nehls, treasurer.

Guest for the evening was Mrs. Frank Vane, former president of Mapha, who with her husband, Capt. Frank Vane, was visiting in Sierra Madre the past week.

The club members planned a CARE package to be sent to a displaced Austrian family in Germany, and also are making up a box of warm clothing to be sent to them. Members also contributed to the March of Dimes.

Wilson P-TA
Sets Breakfast

Mrs. Max Goodcell Jr., president of the Wilson Junior High P-TA, has announced that there will be a Valentine Breakfast, Feb. 14, at the Youth Center, from eight until nine.

The breakfast will honor as guests the faculty and room mothers of the school. Mrs. Robert Summers is chairman of the affair, with the assistance of her committee: Mrs. Charles Scott, decorations; Mrs. Meldrim Burrill, hospitality, and Mrs. Theodore Kishbaugh, invitations. Immediately following the breakfast, there will be a board meeting of the officers and chairmen of the Wilson P-TA.

HOSTS PRISCILLAS

Cherries, with their cherry red color and luscious tartness, add eye and taste appeal to menus all through the year. And dishes made with cherries fit the festive color scheme for special February events.

A grand cherry pie will make a fine hearty dessert for a family or a company meal. Cherry chiffon pie will meet the demand for more fancy fare.

Do make these and other good cherry dishes to please the family.

CHERRY PIE
1 1/2 C. sugar
4 Tbsp. cornstarch
1 C. juice from canned cherries
3 to 4 C. drained canned cherries
1 Tbsp. butter
Pastry
Mix sugar and cornstarch together in a saucepan. Stir in cherry juice and cook over low flame, stirring constantly, until mixture thickens. Cool and add to drained cherries in pastry lined pie dish. Dot with butter. Put on top crust or pastry strips. Bake at 425° for 40 to 45 min.

CHERRY CHIFFON PIE
2 tsp. gelatin
2 Tbsp. cold water
4 eggs, separated
1/2 C. cherry juice
1/4 tsp. salt
1/4 C. sugar
1 1/2 tsp. grated lemon rind
1 1/2 C. sour red cherries, drained and chopped fine
1 9-inch baked pie shell

Whipped cream
Soften gelatin in cold water. Beat egg yolks until light. Add cherry juice, salt and 1/4 C. of sugar. Cook over low flame until thickened, stirring constantly. Add softened gelatin to the hot mixture and stir until dissolved. Cool and chill until mixture begins to thicken. Beat egg whites until stiff but not dry; gradually beat in remaining sugar, lemon rind and chopped cherries. Fold into gelatin mixture. Pile lightly into pie shell. Chill until firm. Top with whipped cream just before serving.

CHERRY ROLL-UPS
2 C. biscuit mix
1 Tbsp. sugar
3/4 C. milk (approx.)
1 #2 can pie cherries
1/2 C. sugar
2 Tbsp. flour

Whipping cream
Drain juice from cherries and save for the sauce. Add 1 Tbsp. sugar to biscuit mix and stir in milk to make dough. Roll into a rectangle about 1/4" thick. Spread with cherries and sprinkle with sugar and flour. Roll firmly like a jelly roll. Cut into 1 1/2 in. slices. Place in oiled baking pan, cut side down. Cover with cherry sauce. Bake in modern gas range oven at 375° for 25 to 30 minutes. Serve hot, topped with sauce and whipped cream.

CHERRY SAUCE
2 Tbsp. cornstarch
1/2 C. sugar
2 C. cherry juice
Grated rind of 1 lemon
2 Tbsp. lemon juice
1/4 tsp. salt
1/4 C. butter
Mix cornstarch and sugar. Add cherry juice. (Use juice from canned cherries plus sufficient water to make 2 C. of liquid). Cook over high flame, stirring constantly, until thickened. Add lemon rind, lemon juice, salt and butter.

William Rhodes
Return from East

Mr. and Mrs. William F. Rhodes, 702 Manzanita, returned last week from Princeton, N. J., where they had been visiting with their daughter and son-in-law, Dr. and Mrs. Joseph V. Charyk and two small sons.

Mrs. Rhodes had been in the East since late last October and was joined by her husband for the holiday season. On their homeward trip via train they visited points of interest in the east and also visited New Orleans.

VALOIS SPURS KIDS' DENTAL HEALTH DAY

"Mother may not realize it, but the kitchen plays a starring role in preventing tooth decay in children."

This was the statement made today by Dr. Milton Valois in connection with Children's Dental Health Day in Sierra Madre which was observed locally Monday, Feb. 4, under the sponsorship of the 2nd District, Los Angeles County Dental Society.

Dr. Valois declared that the nation's craving for sweets, from an early age on, is responsible in large measure for the steadily increasing incidence of tooth decay.

Ellis Completes Restaurant Mural

Artist Robert Ellis, 30½ W. Laurel, recently completed a 3-dimensional mural space construction for the Nikabob restaurant in Los Angeles. An underwater scene, with greens, blues and spots of red against a dark background, the mural is dominated by the hull of a sunken boat. Stylized fish, sea horses and mobiles are accented by "black light" to emphasize mood and movement. Mr. Ellis is now completing an accompanying screen for the "Nikabob" restaurant-bar entry way, which carries out the theme of the mural in its use of wire fish forms and underwater subject matter.

Sgt. Mattice Named Class Honor Student

Sgt. John A. Mattice, 38 Auburn, was graduated recently as class honor student from the Non-Commissioned Officers Academy at Schweinfurt, Germany. His grade average of 97.5 per cent set a new record at the school.

In a letter to his parents, Mr. and Mrs. Ralph Mattice, Sergeant Mattice said he has been ordered to remain at the academy as an instructor.

The Sierra Madiran entered the service approximately a year and a half ago, and has been overseas since last May. He formerly attended Pasadena City College and Caltech, and was employed at Aerojet.

Notice of his graduation and honors appeared in a recent issue of Ivy Leaves, 4th Infantry Division newspaper.

Pacific Rose Society Meets

Presentation of the American Rose Society's gold medal award to Herbert C. Swim will highlight this evening's dinner meeting of the Pacific Rose Society, 6:45 p.m., at the Pasadena Odd Fellows Temple, 175 N. Los Robles.

Mr. Swim also will be guest speaker of the evening, talking on "Roses of the Future." Program chairman is Dan Sullivan.

A BOND FOR "THE DUCHESS"

Mary Ann Myhre, 19, Duchess of Duluth, hands Under Secretary of the Treasury Edward H. Foley Jr. her "coin of the realm," while Mr. Foley passes over a \$100 giant-sized U. S. Defense Bond. The ceremony took place recently in Duluth, Minn., when Mr. Foley presented the city with a Treasury Minuteman Flag for a successful Payroll Savings campaign among employees.

Military Rites Held for Karl J. Kanitz

Military rites were conducted at Grant Chapel Friday for Karl Joseph Kanitz, a veteran of 40 years' service in the U.S. Navy, who died Jan. 30.

Mr. Kanitz, who held the rate of chief ship's clerk, had been ill for some time. He had retired from military life in 1945 after serving as an instructor at the Naval training unit at UCLA.

A resident of Sierra Madre since 1937, Mr. Kanitz lived at 435 E. Sierra Madre boulevard. He was a former member of the American Legion and the Elks and was a member of the Fleet Reserve Association. He was a native of Muskegon Heights, Mich.

Besides his wife, Mrs. Isabelle L. Kanitz, he is survived by three brothers, Edwin C., of Burbank; Arthur E., of Muskegon; Louis J., of Long Beach, and two sisters, Mrs. Elsa Fisher of Byron Center, Mich., and Mrs. Katharine Fitzpatrick of Baltimore, Md.

Chaplain Cecil D. Ewell, U.S.N., officiated at the services Friday. Private committal was at Pasadena Mausoleum.

Paint Store Adds 'Colorizer' To Stock

Literally hundreds of colors are now available through a "colorizer" system that has been added to the stock at Sierra Madre Paint and Wallpaper Store, 35 N. Baldwin avenue.

Addition of the Boysen Colorizer Paint system is being announced today by Owners Mr. and Mrs. Ray Schwab. "Now, for the first time," they said, "you can get any color you choose in any paint finish—for interior or exterior use—without waiting for special mixes."

POST FEATURES HISS CASE STORY

Whittaker Chambers, confessed former Communist, today charged that the American people have consistently overlooked the real meaning of the famous Hiss case by mistaking the courtroom drama for its true significance which was that the two irreconcilable faiths of our time—communism and freedom—had come to grips.

The Saturday Evening Post this week begins publication of Chambers' story, "I Was the Witness," in which Chambers publicly relates for the first time the full details in the Hiss case and describes the true dimensions of the communist threat to America. Emphasizing the significance placed on the articles by the magazine, this week's issue appears, for the first time since 1899, without a cover illustration. Instead, a hand-lettered announcement of the story is featured on the cover.

Mrs. Cameron, Resident 30 Years, Dies

Mrs. Catherine C. Cameron, 105 S. Hermosa, died Monday morning, Feb. 4, at a Monrovia rest home. She had been a resident of Sierra Madre for more than 30 years and was an active worker at St. Rita's Church.

Mrs. Cameron, a native of Olen, N. Y., is survived by two sisters, Mrs. Genevieve Flanagan of Tulsa, Okla., and Mrs. Otis Greene of Wellsville, N. Y., and a brother, Matthew Costello, of Wellsville.

Rosary was recited Tuesday night at Grant Chapel, and mass was celebrated at St. Rita's Church yesterday morning at 9 o'clock. Fr. Thomas O'Malley, C.P., officiating. Interment was at Calvary Cemetery.

Burkholder Will Run For Congress

Everett G. Burkholder, State Assemblyman of the 42nd District, has announced his candidacy for the United States Congress from the newly-formed 21st District which includes Sierra Madre.

Mr. Burkholder, a resident of the district for more than 25 years, has been a member of the State Legislature for five terms.

Housefly Is Winning Fight Against Man

The age-old battle against

the housefly is far from won.

Houseflies at the division of entomology, University of California College of Agriculture, have developed resistance to the wonder insecticides that once spelled their doom.

DDT killed houseflies at first. But soon the flies began changing the poison to a harmless compound called DDE. Enzymes in the fly's body help make this change. Some super-resistant houseflies can handle one-thousand times the amount of DDT that kills an average fly.

Lindane resistance soon followed. So far the houseflies' resistance to the killing power of lindane is not understood.

As their DDT-lindane resistance is built up, the flies become considerably resistant to the rest of the new line of chemicals once used against them. On this list are chlordane, DDD, and methoxychlor.

For a while chemicals called synergists seemed the answer. Synergists alone are harmless, but when mixed with DDT they boost the killing power of the insecticide. The flies soon got wise to this combination, however, and learned to handle this souped-up DDT. Scientists are now looking for new synergist which flies can not cope with.

The old standby, pyrethrum, will still kill the flies it contacts, but applications must be repeated daily. Sanitation is also important in fly control.

Although there are no new chemicals on hand that show the promise DDT once had for killing houseflies, scientists are searching more than ever for a good lasting control of this common pest.

BURGLAR ALARM BRINGS POLICE

A burglar alarm ringing from the Bank of Sierra Madre Thursday night brought police officers to the spot in a hurry.

After a look around they summoned Al E. Morgan, vice-president, who came down immediately to see what was wrong.

While checking the bank vaults, Mr. Morgan discovered that one of the dials was off center. He said that explained why the alarm went off so mysteriously.

GROUPS MAY 'ADOPT' NEEDY CRIPPLED KIDS

Opportunity for individuals and philanthropic groups to "adopt" a needy crippled child was offered today by Mother Frances Eleanor Smith, director of the Casa Colina Crippled Children's Home at Chino.

Increased needs for the care of polio patients and victims of other crippling diseases have placed a financial burden on the home, and an unprecedented number of unsponsored children are receiving care, Mother Smith said.

An unsponsored child, she explained, is one with no source of income to provide for his care. These children often are from broken homes. None, however, is refused treatment, she said. That is why Mother Smith is asking clubs, lodges, and individuals to come to the aid.

"The care of a child costs \$295 a month," she said, "and any group can 'adopt' one of our deserving youngsters — a child needing a chance — for this amount."

'NEW HOPE FOR HEARTS' DRIVE OPENS

Heart month and a nationwide campaign for funds under the banner, "New Hope for Hearts," opened Friday, Feb. 1.

The campaign in Los Angeles County for \$304,524 is being directed by the County Heart Association, an affiliate of the national group, it was announced by Vern A. Bellman, chairman.

Prevention, cure and rehabilitation of heart disease is the goal of the February drive for funds.

The Sierra Madre "Heart Day" committee includes Mayor William A. Kinney, the Rev. Carl Smith, the Rev. Fr. Thomas O'Malley, the Rev. Harley G. Smith Jr., F. D. R. Moore, Al E. Morgan, Mrs. E. W. Beutler, Miss Elizabeth Steinberger, Mrs. John Conzelman and Mrs. P. R. Woodworth. Mrs. Edward A. Davey is in charge of finances and young peoples' work.

Services Held For Mrs. Smith

Funeral services were held in Glendale Friday, Feb. 1, for Mrs. Frances Verian Smith, who died Jan. 30 at a Pasadena rest home. She had been ill for quite some time.

Mrs. Smith was the mother of Mrs. L. C. Morgan, 115 S. Sunnyside, and the grandmother of Charles K. Morgan, 632 W. Montecito, with whom she had been living until her recent illness.

Eighty-six years of age, Mrs. Smith was born in Linn County, Oregon, on Oct. 21, 1866. She also is survived by two brothers, Isom Cleek and Charles Cleek, both of Albany, Oregon; and a sister, Mrs. Chester Stevenson of Eugene, Oregon. A widow, Mrs. Smith's husband, Charles S. Smith, died in 1920.

Mrs. Smith was a member of one of the pioneer families of Oregon. Her mother, Sarah Margaret Isom, crossed the plains in a covered wagon when she was only 5 years old.

Adult Leadership School to Convene

Annual Leadership Training School, sponsored by the Monrovia Council of Christian Education, will convene for six consecutive Monday nights, beginning Feb. 11, at the Monrovia First Methodist Church.

Dean of the school will be the Rev. Melvin A. Pekrul, pastor of the Monrovia First Baptist Church. Faculty members include Mrs. Ruth Alden, Mrs. Helen Cann Rounds, Dr. Lawrence Fisher, the Rev. Edward Goodman, Dr. Gerald Harvey and the Rev. Morton Kelsey.

Pfc. David Duran Returns to Duty

Pfc. David S. Duran reported back to duty in San Diego Sunday following a military leave of two weeks.

He is assigned to the U.S. Marine Corps Recruiting Depot in the border city. Duran, the son of Mr. and Mrs. E. R. Duran, 293 Mariposa, has been in the service 2 1/2 months.

He attended school at Pasadena City College and was graduated last year with a B.S. degree in foreign trade from the University of Southern California.

OCD Chief Says Homes Should Have 'Family Food Shelves'

Every home should have a family food shelf consisting of a three-day supply of essential foods that can be prepared and served under emergency conditions. This was the message recently to California housewives from Major General Walter M. Robertson, State Director of Civil Defense. It was delivered on the weekly statewide broadcast presented by the Office of Civil Defense.

This current program—40th in the series—related to plans prepared by the OCD to meet the problem of food supplies in the event of an atomic attack.

General Robertson invited the public to write to the State Office of Civil Defense (Box 110, Sacramento), for copies of the Family Food Plan and a list of menus. Newton R. Holcomb, Chief of the Division of Evacuation and Welfare Services, also was heard on the broadcast.

"It is the responsibility of every family in California to prepare now—so they will be able to sustain themselves during disaster," General Robertson said.

"There are a few simple preparations which can be made as a part of the Civil Defense Family Plan. If such preparations are well made, the family will be able to continue to eat even if all normal sources of supply are closed temporarily. The Family Food Shelf is just as important as a properly equipped First Aid Kit."

Holcomb who directed selection of Food Shelf items and menus, warned against hoarding.

"The important thing to remember is this—it is not a suggestion to do any hoarding or unnecessary buying," he stressed.

"If every woman would step to her cupboard or pantry, or wherever she keeps an emergency supply of food, and take stock of what she has on hand, she'll see what I mean."

"If she can look at her supply of packaged food and canned goods and say, 'Yes, I could feed my family for three days, or even a week with what I've got on hand,' then that family is well prepared for an emergency — even an atomic bombing."

Man Found Tied Up

It was reported yesterday that Victor Keisel of this city, was found tied up in his place of business at 31 North Baldwin.

This was not the first time that Vic Keisel has found himself tied up and he hopes it isn't the last time. Mr. Keisel pointed out that he finds himself tied up in his work often. He claims it's relatively easy to become tied up since there is so much hand tying of springs.

Mr. Keisel, conscientious owner of The Drapery Shop, says that business isn't GOOD business until it makes a friend, and, as such, he tries to treat the customer as though he were the customer himself. The phone please—CU. 5-1255. It's an ad.

State Official Inspects City Water Project

A state water official was in Sierra Madre Jan. 25 to inspect the weir box and measuring devices of the city's water conservation project.

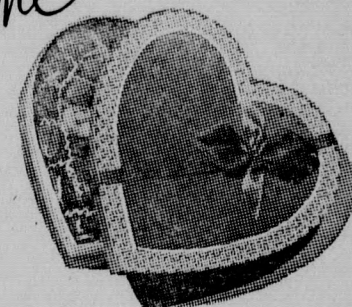

Conducting the inspection was Norbert W. Weinberg, junior civil engineer of the

State Division of Water Resources.

City Administrator R. Merritt Baker termed the official visit "more or less routine," explaining that the measuring equipment must meet rigid requirements for accuracy before Sierra Madre can get credit for water spread here.
